

Envision Cambridge Advisory Committee

August 15, 2018

Agenda

The Housing Working Group has proposed an action to create more affordable housing in Cambridge. The recommendation reads: “Offer density bonuses and relief from other dimensional regulations for fully affordable housing developments through a citywide affordable housing overlay or other regulatory mechanism.”

The Envision Cambridge Team analyzed how this action could be implemented and will present the findings of this analysis for discussion by the Advisory Committee.

Agenda:

- Process update
- Review of findings from affordable housing overlay analysis
- Next steps
